Value of the week – Pride

Well, where do we start? We're extremely proud of our pupils; their achievement, their resilience, their talents,

their confidence, their behaviour, their attitudes, their values. Keep making us proud children and know that you should be very proud of yourselves and of each other.

Carol singing at Schemes Communal Lounge, Fulham

Year 2 had plenty of Christmas spirit this week as they sang for elderly residents at Schemes communal Lounge. Miss Allen was very proud of the children who behaved beautifully and sang their hearts out to the residents. It appears that Phoebe was particularly getting into the swing of things!

Christmas lunch - Yummy!!

Children chattering and crackers snapping resounded around the hall as children tucked into their Christmas dinner on Tuesday. The ladies in the school kitchen did an amazing job and there wasn't a soggy sprout in sight.

Well done to all the children who achieved 100% this term, we'll be having our termly treat in January. Keep up the great work and let's see if you can get it again next term.

How The Grinch Stole Christmas

A standing ovation was absolutely in order for the children at the end of their performance and unless you had a heart of stone like the Grinch at the beginning of the story, there was no way you could not have loved this year's Christmas production of 'How the Grinch Stole Christmas'. Fabulous acting by the main cast (including comic timing by Issac C as the Mayor of Who Ville), beautiful chorus singing by children across the school, superb singing by soloist Jada, a duet by Shante and Giselle and a gorgeous version of Believe by Atasha, Ella, Shante, Inas and Lily –Rae. Our Grinches (Isaac P and Kiaus) were in Miss Du Parc's words, marvellous whilst Lacie as Mary (from the Nativity) had the most excellent manners politely stating "thank you ever so much" to the innkeeper who let them stay in his stable! Once again the finale saw the whole school come together to sing some Christmas favourites to their audience and every mum, dad, granny, grandad and member of staff. was very proud indeed.

Special thanks to Mrs Alexander for orchestrating the production, Mr Maddison for arranging all the musical elements, Donna and Makaley for all their behind the scenes organisation, Vanessa for the backdrop and props, Nigel for lighting, Freddie as stage hand, Amin and Jack (and Leigh Porter) for sound engineering and very special thanks again to Meachell for her great costumes design. Finally, extra special thanks to all the children who put their heart into the production and made it a very special event for the whole school. I am privileged and proud to be the Headteacher of a very creative, talented and hard working school.

All that is left to say is thank you to every parent and carer who continues to support our school in improving opportunities and outcomes for children. We look forward to working in partnership with you in the New Year to support all our children to reach their potential.

We would like to wish you all a very Merry Christmas and happy holiday. Enjoy spending a little more time with your family and friends but make sure you get plenty of rest before we embark on another busy term in the spring.

Best wishes,
Team QM
