World Religion Day

The aim of World Religion Day, held on the third Sunday in January every year, is to promote inter-faith understanding and harmony. Followers of every religion are encouraged to acknowledge the similarities that different faiths have. Our focus for World Religion Day was the 'story of creation' according to a range of major world faiths and world views and we heard how the world was created according to Christianity, Islam, Judaism, Sikhism, Hinduism, Buddhism and Australian Aboriginal beliefs. As we heard the stories, we wove a ribbon around the hall to unite the stories and then undertook a similarities and differences activity. At the end we lit a candle and reflect upon the oneness of a wide range of religions.

'Be in on time at 5 to 9' Punctuality Cup: REC

Talk homework

Ask you child to tell you all about assembly this morning and see if they can remember what the similarities are. A couple of lead questions... who were the significant people in the Creation stories from Christianity, Judaism and Islam? How was the world created according Buddhists?

Dental hygiene update

As our dental screen advisors noted this week, you should now 'spit, not rinse.' So once you have cleaned your teeth with toothpaste, spit your toothpaste out and don't go on to rinse your mouth with water; leftover toothpaste on the teeth is full of fluoride which will carry on protecting your teeth. If you rinse with water, you will wash all the fluoride away.

Reception places – deadline is today!

Remember to ensure that if you have not yet submitted your online application for Reception places then you do so as a priority job this evening.

Nursery places

Please let the school office know if you need a Nursery place in September 2016 as we are beginning to allocate places. Once you have made an application, we will contact you to meet the Nursery staff and have a tour of the Nursery.

Artsweek competition

The theme for artsweek is 'a moment in time'. Children will be making individual and collaborative representations of a variety of time inspired paintings by famous artists. They will also be taking part in a dance workshop with the Don Rae Academy. 'Head's Up' - We would like children to create their own piece of artwork based on time – you can use any medium to do this and we would like your creations brought into school on Thursday 28th January.

Have a great weekend.
