World Book Day 2016

In celebration of Britain's first astronaut on the International Space Station we have decided on a sci-fi and space theme for our World Book Day celebrations on Thursday 3rd March. Come to school dressed as a character from one your favourite sci-fi books or stories, as we will start

the day with a whole school assembly, where we will be showing off our costumes. Parents are invited to share in the assembly—your support, as always, really helps to make these

events extra special. **Get creative!** If you don't already have the costume you want, then make it! Prizes will be given for the most creative and unique costumes.

Throughout the day we will be taking part in loads of really fun activities, including the ever-popular 'Reading Relay'. Don't forget to bring your favourite book to school to share with your class.

We may even tweet Tim Peake with details of our incredible day...it is going to be *out of this world!*

Value of the week – Ambition

We spend a lot of time thinking about what we want to do, or be in the future. This week we thought about the difference between our dreams and our goals and whether they are the same or different.

Talk homework

Elvis Presley once said that "Ambition is a dream with a V8 engine" and S Club 7 told us to "Reach for the Stars." What do you think the difference between a dream and a goal is?

Swimming Gala

On Tuesday 11 children from KS2 went to the borough swimming gala at Fulham pools. They did brilliantly well and we are extremely proud of them all. We are all

rooting for the 6 children who have returned to compete in the finals today:

Jack and Inas (Y6) are doing front crawl;
Jack and Charlotte (Y6) are doing back stroke;
Isaac (Y5) is doing breast stroke.

After these races Sajid and Amin from Y5 will join Jack and Isaac in the in boys' relay.

Good luck everybody, we can't wait to hear how you get on.

Kidzania

On the Friday before half term Year 4 had a day out at Kidzania, Westfield.

Natalie had a lot of fun taking part in a range of activities, including making her own burger at GBK and discovering what it is like to be a paramedic, "We rode in the ambulance and we used splints to support broken limbs." Thankfully there were no actual casualties on the day, however we are sure that they would be in very safe hands with Natalie helping out!

Josh enjoyed doing a spot of detective work, using forensic investigation techniques to identify fake Kidzos, "We had to transport the fake money back to the Bank of Kidzania and then guard the vault carefully." What a responsibility, Josh!
It was a brilliant day, enjoyed by all.

Near miss!!

Please can parents not attempt to park, double park or set down children in the road outside the school gate. There was an accident yesterday as a QM parent stopped in the middle of the road to let their children out of the car. There were some cyclists passing as the back doors were opened, which resulted in two young children being knocked off their bikes on their way to school.

Fortunately there were no serious injuries, however it highlights the need to keep the road outside of school clear and to be considerate of other road users. From a safeguarding point of view it is always preferable for parents to escort children across the road and into the play-ground in the morning for drop-off.

We need your dolls!

The EYFS have a brilliant new doll house in their outside area and they are now looking for donations of dolls to play in it! If you have any Barbie and Ken type dolls (i.e. plastic) that your children no longer use we would really appreciate your donations.

Mother's Day assembly and raffle

Next Friday Nursery will lead the school in our Mother's Day celebrations, starting with their assembly in the morning. We will also have our annual Mother's Day Raffle, featuring some lovely prizes that will make wonderful gifts for any Mum. Speak to Wendy, or the school office, for details about buying tickets.
