Year 5	Nancy -Pat
Year 6	Charlotte
Class 1	Sirine
Class 2	Christopher
B' Club	Nicole (Y6)
Q'Club	Sophie (Y4)

Home school Agreements

You will soon receive an updated version of the QM home school agreement. Please can we ask that you read the agreement carefully, sign it and then return it to school as soon as possible. The home school agreements are kept in your child's record of achievement file.

Travelling Book Fair

We are very excited as the travelling

book fair will be with us next week. Not only does it provide you with an opportunity to stock up on books for your children to read at home (and maybe the odd Christmas gift!), it also means that the school receives free books for school. Please come along to the book fair after school in the KS2 playground or bottom hall (weather dependant).

Unit Coffee Morning

Wednesday 25th November

Parents of children attending the SEN unit are invited to a coffee morning in the community room at 9am (drop off) on Wednesday 25th November with your parent rep, Claudine.

If you do not receive this newsletter via email then you need to get in touch...

Emails and text messages

We are starting to send more and more communications out via email and text and we are

aware that we do not have up to date contacts for all parents. Please can you get in touch with the school office to update or inform us as you might be missing out on important information.

Value of the week -Individuality and freedom of thought.

This week we tackled some of the issues brought about with the terrorist attacks across the world. We gave children the opportunity to ask questions and about images and opinions that they may have heard and tried to help them make sense of the events.

Christmas School Dinner

is on Tuesday 15th December. If your child/ren are on packed lunch and you would like them to have a school Christmas dinner, please let the office know by **Monday 30th November 2015.**

International Day – Friday 27th November.

Only one week to go until International Day 2015 and we are starting to feel the pressure of the clock ticking as we undertake the arrangements before the event. Before the day we need you to do the following:

- Contact the school office if your child would like to perform something from their heritage. DEADLINE - Wednesday 25th November
- Complete the 'Who do you think you are' family tree home learning activity. DEADLINE Wednesday 25th November
- Buy the ingredients for your international dish
- Make your dish and bring it to school on Friday 27th November (you can drop it in the morning if it's a cold dish, put a note on it if it needs heating up or bring it to the bottom hall at 3.15 – 3.25pm).
- Try to get a couple of hours off work on Friday afternoon if you are a working parent – it is a really fun event to attend if you can
- **Children to come dressed in National/ International costumes/ characters on International Day. No football kits.**

Invitation to all Parents

International showcase - 2pm to 3.30pm in the middle hall

Parents are welcome to attend the showcase in the middle hall where pupils will show the results of their international activities, showcase their own dances etc and the staff will present their team piece. The showcase is usually quite lively and entertaining.

International marketplace 3.30 – 4.30pm

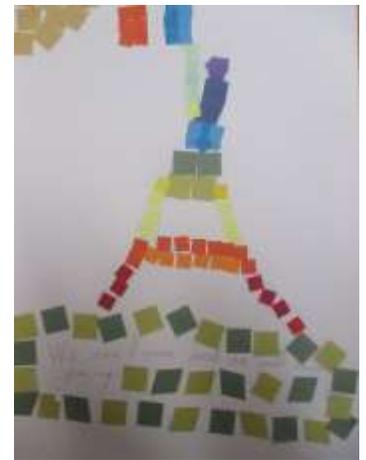

Parents should collect children after school in the playground as normal and then enter the bottom hall. You will be able to buy tokens to try all the international food. Each token is worth approximately 20p so please bring change with you.

Children who attend Queen's Club may want to bring some money and the Q'Club team will give children the opportunity to go round and try the food.

We would appreciate **volunteers** on the day to help with the activities, set up the marketplace and clear up after the event – this would be greatly welcomed and appreciated as it is usually a very busy day.

QM remembers

Sophie and Nancy created these beautiful mosaics during art club to remember those affected by the Paris terror attacks last week. During assembly on Monday, the school held a one minute silence for all those affected through conflict across the world.

Reduce, re-use and recycle

Year 1 and 2 went to visit the Wandsworth recycling site this week. Alice Dimmick write the following report. 'First we saw the refuse collectors and their vans. They tipped the rubbish in a big hole that's why we need to recycle. We talked about what we can recycle and re-use. Next we made paper from old newspapers. We had a good day and are going to make sure we reduce, re-use and recycle' by Alice D.
