'Be in on time at 5 to 9' Punctuality Cup: Year 6

We were humbled this week that, amidst all the controversy in the media about SATS, QM pupils kept sensible and determined and ploughed through their tests with positivity, confidence and maturity. Under the direction of Mr Gingell, Vicky and Mrs Porter they have worked really hard all year and this week gave them the opportunity to show us how much they have progressed. We are so proud of each and every one of them who, even when they met a challenge, did not give up. Well done year 6.

Our Year 2 superstars continue with their tasks and tests throughout next week, so we will all be tiptoeing around the school very quietly in support of them all.

We are incredibly proud of how mature and hard-working you all are, Year 2. You manage to take it all in your stride!

Conversion consultation

The consultation period ends today; if you haven't already done so, please remember to fill out the consultation survey this afternoon.

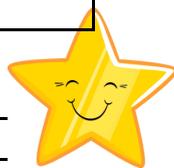

There was a buzz of excitement this morning as Class 1 left school to catch the train to Windsor Castle. We can't wait to hear all about it their day; maybe they'll bump into The Queen!

Value of the week: Confidence

Queen's Manor children ooze confidence: they constantly show us that they are ready to face challenges, to 'have a go' and to support one another. All this with smiles on their faces!

Talk homework

What you think of yourself is much more important than what people think of you. Do you agree?

Auditions are taking place next week for our end of year KS2 performance, Buggy Malone. I've been angling to get this one on stage at QM for years and Mr Gingell has agreed that its a fab musical and worthy for QM. Hurrah for Mr G!!

The production will be on Wednesday 13th July, at 9.30am and 2pm.

Garden Party 2016: a right Royal excuse for a knees up!

We are once again arranging a 'bring a bottle' mufti day, on

Thursday 19th May, to collect prizes for the summer fair tombola. As in previous years we would like your darling sons and daughters to bring in a bottle (or suitable alternative) to be part of the tombola stall and in return they can wear whatever they choose for the day.

So long, Farewell...

We are bidding a very fond farewell to the lovely Belinda in Class 2 who has been offered a place at an Australian university to study Occupational

Therapy. Thank you for all your hard work and best of luck for your journey home and degree course.

Please can we remind you that there are to be no ball games in the KS2 playground before school. Additionally, there should be no children playing on the playground equipment before or after school. This is to ensure everyone's health and safety, particularly as the playground is not supervised at these times.

Sports Week

Sports Week is only a week away and we have once again arranged an exciting week for the children to refine their sports skills and keep fit. Next Friday children will be getting together in their respective teams to devise their sports day chants before the big day on Wednesday 25th May.

Sports Day

This year we will be holding our annual sports day on the large sports field at Bishops Park. Ours is a competitive sports day

where the house teams go head to head to score points to try to win the Sports Day Shield. Events include sprint, hurdles, long distance, javelin, standing broad jump, javelin and discus.

Children need:

- Sports Day kit (their team coloured t-shirt, navy PE shorts and trainers (not astro-turf)
- a bottle of water and a snack (fruit or cereal bar)
- a sun hat/cap and a light rainproof jacket. Please apply sunscreen on face, neck and arms
- Parents to support them

We are planning to go ahead whatever the weather, however in the event of heavy rain we will postpone until Thursday 26th May 2016. Parents are encouraged to come along to support their children at sports day. Children move around the events as a class and parents are welcome to move around with them. At the end of the eventing, we all regroup for the relays and the very popular parents versus staff versus Year 6 relay!

Nursery Sports Day

Nursery Sports Day will be held for all nursery children on Friday 27th May, in the morning.

This will be on the grass area at the back of the school. Please speak to Rosanna and the Nursery team for more information.
