### ‘Ere We Go, ‘Ere We Go, ‘Ere We Go!

Last Friday our footballers from Years 3, 4 and 5 competed in the 3BM Challenge Cup. It was a Tri-borough tournament that saw the two QM teams battling it out with our counterparts from other schools within the Tri-borough. Dylan B and Alfred, who both represented the school on the day, reported the following:

*“We scored goals in every single match.”*

*“When we played our final group match we were nervous; it was great to find out that we had done enough to get through to the quarter finals.”*

*“We scored exactly how many goals we needed in the last game of the knock-out rounds and achieved our aim to reach the quarter finals.”*

*“We persevered through extreme weather conditions, including rain, hail and sunshine!”*

Congratulations to our Y3/4 team: Dylan B, Alfred, Alvina, Bashir, Taye, Natalie and Leo and to our Year 5 team: Kiaus, Sajid, Amin, Jack, Isaac and Alex.

We are extremely proud of both teams and some of our more notable victories were winning 8-1 against John Betts and 9-1 against Westminster Cathedral School. Our Year 5 team even managed to score goals when they were one man down, after Alex sustained an injury in the semi-final stage.

Well done guys, we are delighted with your efforts! And well done to Lee, Carol and the parents who went along to support; they couldn’t have done it without you!

### Talk homework

Is the grass always greener? Should we be happy with our lot, or always yearn for something more?

### Value of the week: Positivity

This week we talked about how lucky we are. On the whole we have good health and are surrounded by people who care for us. We have a beautiful school and a wonderful school community.

### Calling All Volunteers!

FoQM are working hard to organise a garden party for this year's summer fair on Saturday 11th June. We are calling on you for your support to help make the day really enjoyable, both in preparation and on the day itself. This year we have an international café, so we will be asking for donations of sweet and savoury food from around the world. We will also be collecting bottles for our ever-popular tombola and we are hoping that, like last year, we will be graced with the fly-past in honour of HRH The Queen's birthday!

Good luck to our Year 6 superstars for their SATS next week. We know you will all take it in your stride and do your best on the day. Be sure to go to bed early and get plenty of sleep and don't forget to be at school at 8.30 for breakfast with Mr G!

Make sure you have a bit of fun this weekend so that you are in a positive frame of mind next week.

Please remember to fill out the feedback questionnaire for our proposed MAT conversion, if you haven't done so already. This can be found online, on our website, and takes just a few minutes to complete and send.

### Sports Week

Our annual Sports Week is 23—27 May, with Sports Day on Wednesday 25th May. Miss Williams, Miss

Burns and Lee have organised an exciting week, with all children participating in at least two sports activities each day. So start limbering up; we're expecting to see you all in the parents' race!
