| Parents meet and greet meeting | Tuesday 13th September |

100% attendance certificate were awarded today and all children who received one were able to choose a prize from the attendance cabinet—well done children and keep up your great attendance.

QM Futsal Championship 2016

Well done Team Sweden (Kiaus, Holly, Ricardo, Leo and Rajaa) who won the tournament this year. Lee informed us that the final was a 'cracking game' and that it was only at the penalties after extra time that Sweden won such were the scores throughout the game itself. Thanks to Lee for arranging the tournament.

Year 6 and a number of staff were delighted to be invited to the Year 4 travel agency this week which saw children from Year 4 set up stalls based on countries located near to the Arctic Circle. We enjoyed traditional cakes and biscuits from the countries and heard about important facts about why we might like to visit a specific country. Visitors to the travel agency then had to vote for the country they would like to visit most based on the information provided by the travel agency operators. It was a close call but in the end, Team Canada pulled it off with the most votes.

May we also take this opportunity to wish Lee all the very best with his wedding next week where he will marry the beautiful Nicola.

'A huge thank you to all parents / carers and pupils for supporting me with my research into mathematics, as part of my Master's in Education Degree. Thank you to parents / carers for granting permission and to all the children who answered lots of questions about how they calculate! I was able to represent Queen's Manor at the British Educational Research Association's conference in Exeter on Saturday. Without your support, my own learning would not have been possible, so I am very grateful!!' Mrs Porter

A message from Mr Gingell

'I've had a truly awesome time here at QM and have loved every minute of it. The children here are amazing and should all be very proud of themselves. Every day over the last three years I have realised how unique and special the children of QM are. It has been a pleasure to teach such well-mannered, energetic and passionate young people. While I'm looking forward to the challenges my next role will bring, I know my experience here will always remain with me. In my role at QM, I have had the opportunity to work with the wider school community and I would particularly like to thank FoQM and all the parents for their support. All the best everyone!'

A final fond farewell to our staff leaving this year. We have made their final weeks at QM as busy as possible to take their minds off their departure however over the past couple of days we have taken opportunities to tell them how fab they are and how much we will miss them.

To add to our leavers, Steadman, who has been a TA with us for the past 5 years, has moved house and is moving to another school closer to home. We wish him all the best in his new home and job. During assembly this morning we were delighted that the staff leaving volunteered to lead the whole school in our final school song for the year—many thanks!

Brilliant—very well done to Ilyas in Yr 6 who came first place and won a gold medal at the Hammersmith Gymnastics tournament. Way to go Ilyas!

Class of 2016—Goodbye and Good luck.
