We're On The Ball!

Congratulations to our Mayor's cup teams, who last week beat Sullivan in both the boys' and girls' matches

Sullivan Girls 0—2 QM Girls

Clara and Adisa were the goal scorers, with Adisa scoring a cracking free kick!

Sullivan Boys 0 — 4 QM Boys

A great goal from Leo and a very impressive hat trick from Alex!

Great work everyone; this means we have a clean sweep in all our matches against our Brightwells colleagues this season!

Best of luck in your matches against Sir John Lillie today. SJL beat us in the league last season so we are all behind you today. Go get 'em!

Weekly % attendance

Kung Hei Fat Choi

Friends of Queen's Manor have a Chinese New Year treat in store for us next week!

On Tuesday 7th February not only have they organised a fantastic experience for us all during the day, but they will also be selling treats after school in the playground (from 3.30pm). Fortune cookies will be 20p each and Lucky Dip will be 50p a go.

Whole School	96.4% Attendance is definitely on the up, however our overall percentage since September is still below target .

Don't forget:
Parent Learning Reviews
next Monday and
Tuesday will be held in
the Bottom Hall

Well done to Year 5 for taking part so enthusiastically in their cycle training this week, despite the weather. We can't help feeling that they will be better and safer cyclists as a result of training in these conditions.

Dragons' Den Grand Final

Year 5 are preparing to take part in Dragons' Den, creating a product and pitching it to a panel of impartial judges. The finalists from each of the Brightwells schools will be battling it out next Thursday at Fulham Primary School, to members of the board of directors. Good Luck QM, we're looking forward to reporting the event in next week's newsletter!

Talk homework

We have all been very creative cats this week. Who is your favourite artist and why?

Arts Week 2017

Arts Week 2017 took flight with a visiting artist to KS2. Michelle Reader is a sculptor who specialises in using recycled and unusual materials in her modelling. Thanks to your very generous donations of junk, the classes had a brilliant time working with her to create magnificent birds of prey. The creativity has been flowing in all classes throughout the school; each class has focused on a different sculptor and the children have used a range of media to create their own interpretations of the sculptor's work. Through their study of some of Marc Quinn's work Year 1 have created hand sculptures from salt dough and Class 2 have used papier maché to create very scary spiders! Year 6 have focused on Alberto Giacometti's work, using Modroc to create their own versions of his famous work, *Walking Man and I*.

Thanks to all the staff who have helped to make this a really exciting week for all and special thanks to Rosanna for organising it.

E-safety tip of the week

Whenever you're about to post something online, pause and just imagine someone in authority, your parents or someone you respect, reading that post or looking at that photo. If that feels uncomfortable, don't do it.

Request from our neighbours

We hope that as much as possible, children are walking, scooting and cycling to school. If for some reason you do have to drive, may we ask that you switch off engines while you are waiting. A couple of our neighbours have commented about an increase of noisy engines and exhaust fumes in the area. Many thanks.

Start planning your costumes! World Book Day is on Thursday 2nd March this year and the Brightwells schools have decided on the theme 'Traditional Stories and Fairy Tales'. As usual we will have a magical day, focusing on all things literary!
