Our Mayor's Cup boys played their hearts out last week in the quarter finals and we are extremely proud of all of them. Despite some of their best playing all season, it was not to be and their bid for victory was cut short by the Melcombe team. We look forward to you sharing your tips with the players coming up from Year 4 next year; we are sure you will have inspired them all to build on your success!

Whole School	96.3% Oh no, we've dipped! Let's try to bring our attendance back up.
--------------	---

We have seen some incredible football from both the boys and girls this year, helping the boys to win their league and the girls to come 3rd in theirs. We are so proud of them all and feel they all deserve a special mention:

**Mayor's Cup Girls Team 2016/17, captained by Adisa:**

**Hafza:** A fearless goalkeeper who made brilliant saves; she even saved a penalty!

**Natalie, Holly and Sophie:** strong and reliable defenders who all played a big part this season.

**Yusra, Nancy and Alvina:** the bosses of the midfield, these three worked superbly as a team.

**Adisa, Clara and Anita:** caused lots of problems for the opposition, not least with their goal-scoring!

**Mayor's Cup Boys' Team 2016/17, captained by Jack:**

**Taye:** a solid goalkeeper who has made some excellent saves this season. Taye has 6 clean sheets in 8 matches.

**Isaac and Kareem:** a sound defence partnership who proved very difficult to beat.

**Amin, Jack and Sajid:** quality midfielders who helped out with a number of goals.

**Leo and Alex:** an amazing strike force that helped fire us to the league title.

**Bashir and Tasharn:** excellent team players who could really change a game when called upon. Ones to watch next season!

## Talk homework

Is winning by cheating actually winning?

## Value of the week: Pride

We all take pride in our achievements and successes and this week we have been considering whether we can be proud of ourselves if we cheat in order to win?

Look at this super duper writing from Fire in Reception! We love the fact that she has used a familiar story structure (*One day, happily ever after, the end*); coordinating clauses linked with *and* and *but*; phonic knowledge to attempt some very sophisticated vocabulary. We think that Fire has a flair for creative writing, which goes to show that you are never too young to have a go and to challenge yourself.

A well-earned gold star indeed!

### \*\*\*VERY IMPORTANT\*\*\*

Parent meeting - National Funding Formula – Thursday 16<sup>th</sup> March

As you may know there is currently a consultation into a national funding or 'fairer' funding formula for schools. Please come to a meeting at 9am on Thursday 16<sup>th</sup> March to hear about the implications for schools in London and nationally.

In Year 1 this week the children have been looking at the text *Oliver's Vegetables* as part of their 'Bon Appetit' topic. On Thursday they made beetroot salad and chips like Oliver does in the story. They also made roasted cauliflower which most of Year One loved!

**CONGRATULATIONS** to Keti on the birth of her daughter - Alexandra - on 1st March. The family are delighted and we cannot wait for Keti to bring Alexandra in to meet us!

### TIP OF THE WEEK

**Do passwords keep you safe?**

Only if you keep them completely secret - don't even tell your best friend. Try not to use names of your family or pets, because people can guess them quite easily. Use a mix of letters and numbers instead.

*Don't forget!*

Dress head-to-toe in red for Red Nose Day on 24th March. Bring in a £1 donation, for Comic Relief.
