## QM Summer Fair 2017 needs YOU!

With one week to go until the summer fair, Friends of Queen's Manor are calling on your time, generosity and team work: "We need volunteers to set up, man stalls and clear up on the day. There is a doodle poll set up for all those on the FoQM email list and we will have a manual chart set up in the foyer after half term."

This year's summer fair is extra special, as we will be inviting local councillors and the press to celebrate the start of the very exciting new build, as well as to witness the burial of the QM17 Time Capsule. How many stalls we can have depends entirely upon who is available to help and, given the rather down-sized site this year, we want to put on a really great show. Please do let us know if you can spare some time next Saturday—it really is something very exciting to be a part of!

Whole School	96.2% - It is fine but it can still be better!

**LET'S DO THE TIMEWARP!**  
Thank you for all the great suggestions for the time capsule. We are in the process of finalising the contents and will give you the full breakdown next week.

**SEW grateful!**  
Thank you to all the wonderful people (and their families) who have donated so much of their time and expertise to the QM knitting project this year; we have so many squares and cannot wait to see the finished blanket(s). Which leads us on to...if you are able to sew and would be keen/happy/able to support us with sewing the squares together we would be most grateful. It is a mighty task and will probably suite an army of volunteers. Tea and biscuits will be provided! Please let Miss du Parcq or the office know if you can help.

**Online Safety TIP OF THE WEEK**  
From the NSPCC: *Having regular conversations about what your child is doing online—just like you would their day at school—is the best way to keep them safe.*

**Talk homework**  
What do you understand by 'Democracy'?

**Value of the week: Respect**  
Respect is about having regard for the feelings, wishes and rights of others.

4th Columba (1049 points)

During assemblies this week we have thought about, and joined the nation in a minutes' silence for, the victims of the London Bridge terror attack at the weekend. Our particular focus has been on the importance of sharing how we feel, especially if the reported news is causing anxiety or worries. We also discussed the fact that this kind of event is highly unlikely to every happen to us. The Counter Terrorism Police have issued the following advice, in the rare event that any of us should find ourselves in a similar situation and they have an informative video to watch here: <https://www.gov.uk/government/publications/stay-safe-film>

**COUNTER TERRORISM POLICING** **ACT** ACTION COUNTERS TERRORISM

IN THE RARE EVENT OF a firearms or weapons attack

**RUN HIDE TELL**

**RUN** to a place of safety. This is a far better option than to surrender or negotiate. If there's nowhere to go, then...

**HIDE** It's better to hide than to confront. Remember to turn your phone to silent and turn off vibrate. Barricade yourself in if you can. Then finally and only when it is safe to do so...

**TELL** the police by calling 999.

## RUN HIDE TELL

At the moment, the issue of terrorist attacks is regularly in the news. But it's been on our agenda for much longer.

The police and security service have been working constantly to foil terrorist attacks for years, not months.

But we are not complacent about keeping you safe.

Due to events in the UK and abroad, people are understandably concerned about a firearms or weapons attack. These attacks are very rare but in the event of such an attack, it helps to be prepared.

Remember, attacks of this nature are still very rare in the UK.

So stay safe, and just remember the words:

## RUN. HIDE. TELL.

To watch the film, visit [gov.uk/ACT](https://www.gov.uk/ACT)

Information is vital. If you see or hear something that could be terrorist related, trust your instincts and call the confidential Anti-Terrorist hotline on **0800 789 321**.

Our specially trained officers will take it from there.

Your call could save lives.

Always in an emergency, call **999**.
