Year 5 are taking part in a joint venture with the DT department at Fulham College Boys' School this term, designing and making moon buggies with a specialist DT teacher. Yesterday was their first of 5 visits and the children were very enthusiastic about the project. They are looking forward to making their design over the coming weeks—watch this space!

What qualities does the perfect teacher possess?

Value of the week: The 6 Rs

We reminded ourselves this week of the 6Rs and why they are so important to us. During assembly we looked at what makes the perfect pupil, drawing on the 6Rs to describe their qualities.

★ ★ ★ Year 6 Leaders 2017—18 ★ ★ ★

Well done to our Year 6 children for their new leadership appointments. The calibre of applicants this year was exceptionally good and Mrs Harrison and Miss du Parcq had a very tough time deciding who was best for each position. We look forward to working closely with you all this year and feel assured that the school is in very good hands!
