'Strive, Believe, Achieve'

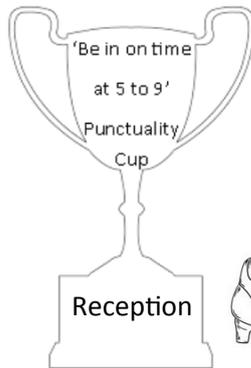

@QMPrimary

Dates for your diary	
Event	Date & Time
Parent Learning Reviews	Mon 16th and Tues 17th October
The QM Factor	Fri 20th October
Half Term	Mon 23rd—Fri 27th October
Y4 Assembly	Fri 3rd November
Y5 Remembrance Assembly	Fri 10th November

On Wednesday, 15 children from Years 4, 5 and 6 competed in the borough cross-country relays at Wormwood Scrubs. The children gave it their all and were exhausted! Despite running with all they had, we did not bring any medals home this time. A really big well done however, to all who competed; we are all very proud of you.

Weekly % attendance	
Reception	98.6
Year 1	93.8
Year 2	98.8
Year 3	93.0
Year 4	97.8
Year 5	99.1
Year 6	95.0

On Tuesday morning, 28 children from Years 5 and 6 went to Stamford bridge—the home of Chelsea Football Club—to take part in a special reading event. The children met the author of a new book called 'Kick' and had parts of the book read to them. There were lots of interactive activities to take part in, which was loads of fun! Tasharn and Shakira had to assemble a pair of football boots as quickly as they could, to see how hard it actually is to work within a given time frame and under such pressure!

Whole School	96.5% You can do even better, QM! Let's try really hard next week.
--------------	--

Year 6 had a great team-building day last Friday with their Brightwells counterparts. The day included all sorts of physical and mental agility challenges, involving problem-solving, trust, effective communication and pushing themselves to the limit! Everyone had a fantastic day and it was nice for them all to see their Brightwells pals again, having worked with them in Dragon's Den last year.

Star of the week	
Reception	Tosia
Class 1	Freya
Year 1	Faith
Year 2	Adrien
Year 3	Yousef
Year 4	Maisie
Year 5	Charlie
Year 6	Raiyan
Class 2	Farah
B' Club	Naomie
Q' Club	Alfred

Some of us have very fond memories of the 1980s, in particular those endless days spent mastering the Rubik's Cube! However...the Rubik's Cube is a toy and we therefore kindly ask you to leave it at home.

TAKEOVER BID!

Many children are bringing pencil cases to school and many of these pencil cases are enormous. They have become a key feature on many of the tables in some classrooms and are proving to be a real distraction. Please leave your pencil cases at home, for use when doing your homework. We have all the resources you need to complete your work in school and we have recently invested in some very smart pencil pots for each classroom, following feedback from children.

Good luck to our footballers in their friendly against Miles Coverdale this afternoon...results next week.

Talk Homework

Would you rather drive a train through a tunnel, fly a plane around the world or sail a boat to America?

TIP OF THE WEEK

Be respectful online. Just because you can't see a person doesn't mean that you can't hurt or offend.
