in South Africa, surrounded by penguins. We are all very excited for her, although the children in Year 1 are not quite so sure about the idea of marriage and have already expressed their concern to her!

PARTY LIKE A ROMAN!

Year 4 did a smashing job this morning, leading the whole school assembly. They used drama and song to share with us what they have been learning in history, sharing lots of fascinating facts about life in Ancient Rome. Did you know...

- The Ancient Romans invented central heating
- Dormice and peacock tongues were regularly eaten at dinner parties
- Effluent was thrown into the streets

IMPORTANT NOTICE

There have been a number of confirmed cases of head lice in school recently. To minimise the risk of spreading them further we would like to remind you that all long hair should be tied up throughout the day. Please can all children be checked for lice and nits this weekend. For further details of how to detect, prevent and get rid of head lice and nits you can speak to your pharmacist or find more information on the NHS Choices website at nhs.co.uk.

Have fun if you are heading to an organised firework display this weekend, such as the Full Moon Fireworks at Bishop's Park or Ravenscourt Park (you can find all the details at lbhf.gov.uk). Please remember to stay safe whenever you are around fireworks.

Say Cheese!

Please remember to bring your completed orders and money to school on Monday morning if you would like to buy photographs.

Talk Homework

Would you rather...cross an old bridge with a troll underneath, spend a night in a scary castle, or have dinner with a vampire?

★ THE QM FACTOR ★

As promised, here are some photographs of the acts who took part in The QM Factor before half term. Well done everybody and thank you to the judges and presenters.

TIP OF THE WEEK

Everyone has the right to protect their privacy. Don't upload pictures or videos of others without their permission.

Dear Mrs Harrison

Thank you so much for choosing to donate your Harvest Collection to the Hammersmith & Fulham Foodbank. This gift will have a significant impact on our ability to meet the need we are seeing. I am delighted to let you know that your donation weighted a huge 155.6kg. Your support of our work is greatly appreciated.

We have been experiencing very high levels of demand over the past year. In the year ended 31st March 2017 we gave out food packages to over 6,000 people (equivalent to 60,000 meals,) one third of which are children. Furthermore, in the 6 months ended 30th September 2017 over 4,500 people have benefited from our food packages (this represents a 97% increase in demand over the comparative period in 2016).

During 2016 we launched two new projects aimed at preventing people falling in to food poverty. "Eat Well Spend Less" is a 6 week programme teaching individuals how to cook healthy food on a budget. Feedback from earlier courses has been overwhelmingly positive, with many attendees now saving £15 or more per week on their food shop. Our Holiday Meal Clubs provide fun games and activities, and a hot healthy meal to primary school children twice a week in White City and in Fulham during the Easter and Summer holidays. At the Summer holiday club this year we prepared and served 476 meals over 16 sessions.

Again, we are very grateful to you for choosing to support the Hammersmith & Fulham Foodbank in this way. *Please extend our thanks to your colleagues, pupils and their parents.*

Yours sincerely
