Star of the week	
Reception	Charlie S
Class 1	Ilhaam
Year 1	Everyone
Year 2	Micaela
Year 3	Rosa
Year 4	Isabelle
Year 5	Rafael
Year 6	Natalie
Class 2	Betty
B' Club	Charlie F
Q' Club	Isabelle & Catalaya

Talk Homework
If you could fly somewhere, where would you go? What would you see? What would you do?

We're Going on a Story Hunt...

Nursery and Reception had a very exciting start to the week, taking part in story hunt workshops thanks to the marvellous Freshwater Theatre Company. The children enjoyed looking for clues, which they had to put together to 'find' the story. It looked like loads of fun and according to Dixie, "Tommy wore a clown nose!" Zachary said, "it was a very nice adventure and Chloe used binoculars." Such fun!

River Study

On Monday Year 5 went for a walk along the river to identify the physical features of the landscape. They took their sketch books, capturing the sights. Rosie decided to sketch the old Harrods furniture depository on the South side of the river, whilst Bilal sketched Hammersmith Bridge. The children took photographs as they walked, which will allow them to add more detail to their drawings. Whilst on the subject of art, we are all looking forward to our annual Arts Week at the end of January.

Let's Get Cooking!

Class 2 have been very busy this week making amazing lemon and coriander humous . Mrs Harrison was very excited when Jeremiah invited her to taste their lovely creation and she reported that the humous, together with vegetable crudités, was absolutely dee-licious! When asked how it was made, the children were able to provide great detail about the ingredients and the methods they used.

Value of the week: individuality

Is a knife any use when eating jelly? Is a fork handy for eating soup? Does a spoon help when eating cheese? We had great fun finding the answers in assembly this week and we came to the conclusion that, although individually these items were not terribly useful, when used together they worked brilliantly! We know that individually we can't be good at everything, but we also know that as a team we are strong and we can do anything!

Best of luck to our Mayor's Cup teams as they play Melcombe this afternoon—we'll update you with the results on our twitter feed.

TIP OF THE WEEK
Know how to turn off your location on devices or set to private.

Something French for the Weekend
Quel est ton dessert préféré
What is your favourite dessert?

Tag Rugby, football, Skittleball, indoor athletics, outdoor athletics, swimming, tennis, futsal, basketball, we did them all last year! Thanks to Lee and our brilliant teachers, QM Sport is going from strength to strength. Our children have fabulous sporting attitudes and great team spirit, which helped us to earn the Silver School Games Mark award for 2016/17. We reckon that with our new outdoor facilities we can build on this, aiming for even better this year. GO QM!

SCHOOL GAMES

Queen's Manor

has achieved the Silver School Games Mark award for their commitment, engagement and delivery of competitive school sport in 2016/17
