We hope you all enjoyed the Christmas break, whether you were relaxing with your family or off on an action-packed adventure! Staff and children alike have all come back to school with smiles on their faces, ready for the term ahead (despite the very inclement weather we have been experiencing!) This term holds excitement for all: Year 5 will be participating in Dragon's Den with their Brightwells friends, Arts Week is in February and World Book Day and Science Day are both in March. We are also very excited that the building works and landscaping are all on track to be finished at the end of February, so we look forward to the grand opening before the end of term. We would like to welcome Mr James Connolly to the Queen's Manor team; Mr Connolly is the new Year 4 teacher and we know you will all help to make him feel welcome.

Talk Homework

Would you rather take photos with your eyes, use your ear as a radio or play your teeth like a piano?

Are you willing and able to listen to children read in school? Speak to the ladies in the office or your child's class teacher if you can volunteer.

APPLYING FOR A RECEPTION PLACE?

The application form needs to be completed and submitted online and the closing date for applications is **15th January 2018**. More information about how to apply, including the application form, can be found here: <https://www.lbhf.gov.uk/children-and-young-people/schools-and-colleges/school-admissions/primary-school-admissions>

Did You Know?

The government would like every child to swim competently, confidently and proficiently over a distance of at least 25 metres by the time they leave primary school. Swimming lessons are on offer at most public swimming baths,

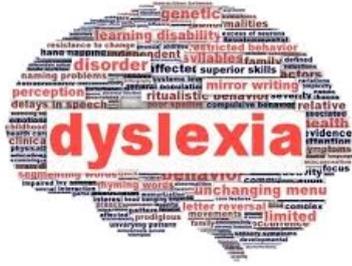

Some of you may have noticed the impending works at the north end of Fulham Palace Road, where it meets Hammersmith gyratory. We have been informed by Thames Water that these are essential works and are due to last for 9 days (until 14th January). The southbound section of the road will be closed and we are expecting disruption to traffic and transport services. Whether you travel by car or by bus please do bear this in mind for your journey to school, as we still expect everyone to be in school on time.

CONGRATULATIONS to everyone who received an attendance award this morning—we think we gave out a record number of 100% certificates this time! Well done everybody and remember, the race is on for the big attendance day out. Will your class be winning?

PARENT WORKSHOP

Dyslexia and Literacy Difficulties, 18th January 9-11am

The Educational Psychologist is offering a coffee morning discussion group for parents at Queen's Manor Primary School

Aims:

- To understand Dyslexia: what it is and what it is not
- To understand the assessment process for Dyslexia
- To share tips/strategies on how to support your child at home and in school

Format of the session:

- Information sharing
- Discussions and small group activities
- Five minute slots from 10.30-11am to discuss any individual concerns not addressed in the session.

To sign up, please contact Miss du Parcq via the school office or email at admin@queensmanor.lbhf.sch.uk
