### Junior Citizens

Last week Year 6 travelled to Linford Christie Stadium to take part in the annual Junior Citizens programme. According to their teacher, "It was a fantastic morning. The children learnt about the recovery position, Internet safety, safety on buses and tubes, the importance of wearing a seat belt and what to do if involved in a violent theft."

### IMPORTANT HEALTH AND SAFETY NOTICE

Please do not leave your children at school before 8.55am., as there is no supervision in the playground before this time. Year 6 children who travel independently can arrive from 8.45, but you must wait with your child until their class teacher collects them from the playground. Thank you for your support.

### Talk Homework

Why don't you have a digital detox this weekend; turn the internet games off and get outside!

### Value of the Week: Global Awareness

We would like to wish all of our Muslim families and their friends a very happy Eid as they celebrate the end of Ramadan.

### Something French for the Weekend

A Demain!  
See you tomorrow!

There has been a lot of press recently about the effects of internet gaming and children as young as 9 are being treated for addiction. The World Health Organisation (WHO) recognises Gaming Disorder in individuals, when online gaming causes significant impairment in personal, family, social, educational, occupational or other important areas of function for at least 12 months. Do you restrict time spent playing games online?

See you tomorrow!

It's here! The list of classroom staffing is below. Our aim is to recruit for all vacancies by the end of this term, in place for September. We will update you as soon as these staff are in place. We would also like to say a big thank you to Ms Viv Williams, who is leaving us this year. We wish her every success in future endeavours. We are in the process of finalising the school leadership structure and will let you know in the next week or two what the arrangements will be from September.
