### YEAR 6 TRAVEL PROJECT

This term Year 6 have been working in collaboration with Urbanwise to highlight the importance of using 'safer, healthier and more sustainable' forms of travelling to and from school. They have collected and analysed data, created presentations that represent their findings and have spoken with experts to expand their own knowledge on the subject. They have done a magnificent job of passing key information to the school leaders; did you know that Hammersmith and Fulham is the TENTH WORST borough in London, with regards pollution? They are hoping that they can encourage greater use of bicycles and scooters by the pupils at QM and have written a very persuasive letter to this effect. We will be forwarding their letter to the Local Authority, for their consideration.

### TALK HOMEWORK

Are you hoping for some snow this winter?

Will you be receiving a certificate for your autumn term attendance? We will find out in

**Pupil Voice**

Buy your Christmas tickets for the production at the office, we are all working really hard to make it the greatest show ever!!

## WE LIKE TO RIDE OUR BICYCLES

We have had a number of enquiries recently about secure bicycle storage at school and we know that many children want to cycle to school but do not want to chain their bike out on the street. We are currently working with the Local Authority on a solution to this problem; as soon as we have a solution we will let you know. In the meantime we will continue to give your feedback to the Local Authority so that they can understand how important the bike storage is for our school community.

**WILL IT BE YOU?**  
FOQM will be drawing the raffle ahead of the morning performance on Wednesday. Have you bought your raffle tickets? Are you feeling lucky? We hear there are some incredible prizes up for grabs!  
You can find FoQM selling raffle tickets in the playground after school if you still need to buy yours.

Have you done all your Christmas shopping? If you haven't, do not fear! Friends of Queen's Manor are holding their popular Kids Only Christmas Shop next Wednesday, after school. At the shop the children can spend their hard-earned pocket money on gorgeous gifts for friends and family. There will even be a wrapping service on offer, to really make their gifts stand out under the tree.

If you are able to lend a hand at the Christmas shop please let Claire, Emily or anyone else from the wonderful FoQM know. They are always grateful for extra support!
