## A DAY IN THE LIFE...

Year 2 dazzled us this morning with their assembly. We got a flavour of what it is like to be a learner in Year 2 and, quite frankly, it must be exhausting! There was maths, history, geography, French, a trip to the fire station and even a re-enactment of 17th Century firefighting! Thank you to all the parents who came

to the assembly—a lovely show of support for the children and Year 2 team.

Yesterday QM was visited by a Lead Inspector from Ofsted. She spent the day with the Senior Leaders discussing the progress the school has made since the last inspection (May 2012) and viewing all the evidence. She spent time in classes and spoke with pupils to gather their views. We will be receiving the outcome letter within the next few weeks and when this is published, we will be able to

share this with you all. The letter will highlight the strengths of the school and will also identify the areas that the school are continuing to work on and develop. Team QM would like to extend huge thanks to all parents who completed the Parent View questionnaires ahead of yesterday's inspection.

thank YOU

Whole School	97%. QM, let's see if we can get this to an all-time high before the end of term!

## LICE REALLY AREN'T NICE

We have sent letters home this week to year groups where there are confirmed cases of nits and head lice. Advice from nhs.uk is that head lice and nits are very common in young children. They don't have anything to do with dirty hair and are usually picked up from head-to-head contact. They also advise to treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice. Speak to a pharmacist or have a look online for advice and strategies for treating nits and head lice.

## IMPORTANT NOTICE

This is the final week of after school clubs for the term. There will be no clubs after today.

Queen's Club runs as normal until Thursday 20th December

Pupil Voice

We would like to remind everyone next Friday to bring in their pound and wear a Christmas jumper. Remember there is no need to buy one, you can be very creative with a jumper you already have!!

## TALK HOMEWORK

Would you rather have a magic carpet that flies, or a see-through submarine?
