STRIVE, BELIEVE, ACHIEVE

At the start of the week you all received a copy of our Ofsted outcome letter, following our inspection on 6th December. Many thanks for all of your feedback following the letter; the Trustees, Governors and staff at the school agree with you that it is very positive and captures the ethos and values of the school very well. It acknowledges that the community spirit at QM is strong and that parents and families support their children and the school very well. The feedback also supports leaders' evaluations of the school and supports us all in continuing to drive the school forward. What a brilliant way to start 2019!

YEAR 6 TRIP TO THE BRITISH MUSEUM

On Thursday, Year 6 went to The British Museum. Our topic is the Aztecs, so we went into a room filled with Ancient Aztec sculptures. We were in pairs and each given a question sheet with questions about the Aztecs. We learned so much on our trip and we enjoyed ourselves a lot. *Izabel.*

ONLINE SAFETY TIP OF THE WEEK

Do you know that Safer Internet Day 2019 will be celebrated globally on Tuesday 5th February? This means that everyone around the world will be working towards the common theme, which this year is 'Together for a Better Internet'. What would your advice be to children around the world for staying safe online?

Happy New Year!

Next week we will be setting some School Council goals for the new year. If you have any ideas, please let your class representative know and they can bring them to next week's meeting.
Zoe and Ridwan

TALK HOMEWORK

What are your goals for 2019? How are you going to make sure you achieve them?

STAFFING UPDATE

This term we have welcome two new people to the QM team: Miss Masieh is joining the Senior Leadership Team as the Acting Deputy Headteacher and Miss Grant has joined us as the Year 3 teacher. We are very happy to have them on the team and we look forward to working with them both. We know you will join us in making them feel welcome at Queen's Manor!

My name is Sophia Masieh and I will be the Acting Deputy Headteacher at Queen's Manor until the end of this academic year. I have worked in a number of school across Hammersmith and Fulham over the past 16 years, one of which was Fulham Primary. I am really pleased to be part of the Brightwells Academy Trust. I have had a wonderful start to the new term at Queen's Manor; thank you to all the staff and children for making me feel so welcome. I am excited about getting to know all of the families in the coming weeks. Do come and introduce yourself in the playground before and after school!

Tate year3 project

This year we are taking part in an exciting project, led by a globally renowned artist in collaboration with the Tate Gallery. Using the traditional school class photograph, the portrait

Miss Grant is from New Zealand and bring a wealth of experience in KS2 with her to Queen's Manor. We are looking forward to working with Miss Grant and cannot wait to tell her all about our pen pals! She is also looking forward to being part of art history next week, when we embark on our Tate Year 3 project!

will capture tens of thousands of London school pupils aged 7-8 in a milestone year of their development. Every Year 3 class across the capital has been invited to take part and we are very proud and excited to be part of this project. On Monday a photographer will come to school to take a Year 3 class photograph, which will appear as part of a free exhibition at Tate Britain from November 2019—May 2020 along with thousands of other Year 3 class photographs. Year 3, make sure you are looking your best on Monday!

This morning we awarded our 100% attendance certificates for the autumn term. We are pleased to announce that this was a record for us—we

have never had so many children with 100% attendance certificates! We also awarded certificates for 97%+ and 99% attendance. The Ofsted inspector was very pleased that we are so strict about attendance and she was particularly pleased to see that our attendance has risen each year and is now above national figures. Way to go, QM!
