The week after next is QM's annual Art Week, where the children focus on art every afternoon in

their classes. This year our theme is illustration and the children will have opportunities to create their own pieces of art in the style of a well-known illustrator. Each

child will also be making a piece of art that will contribute towards a whole school installation (you will have to wait and see what this is, but we think it is going to be very special indeed!). All children will be painting and some will be using clay. In preparation for the art activities please can we ask that each child brings in an overall (old shirts are great for this), that can stay in school for the whole week and be worn over uniform during all activities. This will hopefully prevent school uniform being decorated on a daily basis! We also need old newspaper to cover the tables, and carrier bags. If you can bring them in we will gladly re-use these. We also happen to know that many of you are very creative: if you are

keen to help your child's class with any of the art activities please speak to their class teacher.

SPORTS QM

We have a few fixtures in the calendar, organised by Lee. As with any of our sporting events held away from school, please speak to Lee if you are able to support. Coming up we have:

Fri 1st Feb: Mayor's Cup vs All Saints

Tate year3 project

On Monday Year 3 had their photograph taken, for the Tate Year 3 Project. The photographer led everyone in some warm-up exercises, to ensure that there were smiles on everybody's faces. We are very proud to be part of this art project and cannot wait to see the final piece later this year!

ONLINE SAFETY TIP OF THE WEEK

CEOP (Child Exploitation and Online Protection) is a command of the National Crime Agency and it has helped thousands of people in need of support. If you are worried about online abuse or are worried about the way someone is communicating online you can contact CEOP and their Child Protection Advisors will be able to help you. Many websites have direct links to CEOP; look out for their symbol or a 'report abuse' button.

Would you rather live in a forest or near the sea?

Value of the week: individuality and freedom of thought

We just love the fact that we are all so different; wouldn't life be boring if we were all the same!

Friends of Queen's Manor are organising a Valentine's disco on Thursday 14th February...watch this space for full details!

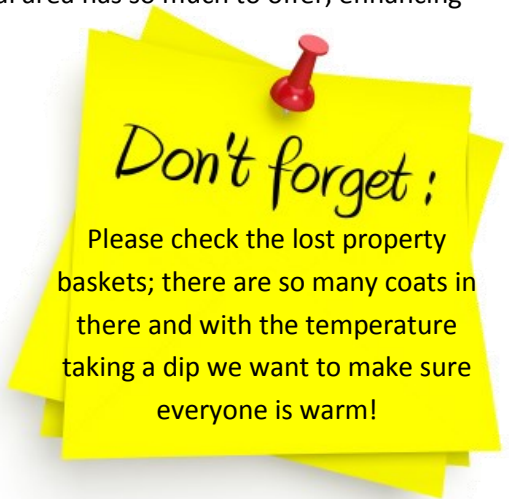

On Tuesday Year 6 will be going to Sullivan Primary School, joining the Y6 classes from both Sullivan and Fulham for a drugs education session, as part of the PSHE curriculum. The session is called 'Wasted' and is an informative and important session for the children. If your child is in Year 6 please don't be late to school as they will be leaving promptly at 8.55am to get to Sullivan on time.

RE

As part of their RE curriculum, Years 1 and 2 will be visiting All Saints church on Wednesday afternoon. We love going on trips and our local area has so much to offer, enhancing learning for all.

You may have notice that we have a small scaffolding tower in the rear playground; this is a temporary measure whilst we carry out some repairs to the stonework on the school building. The repairs should be finished next week and the door to the KS2 playground will be back in use.

On Tuesday 5th February we will be celebrating Chinese New Year by having a Chinese feast for lunch! Margaret and her team have worked hard to produce a suitable menu; if your child usually has a packed lunch but would like a school lunch on this day please let the school office know by Wednesday 23rd January at the latest. The cost of the school lunch is £2.

Pupil Voice

We decided that this year our main goal is for our class friends to have more of an active voice in school council. Look out next week for how we plan on achieving this.
