RE TRIP

This week Years 1 and 2 went to All Saints Church to learn more about the role the church plays in the lives of Christians. They looked around the outside of the church first and talked about the grave stones and the World War 1

memorial. Charlie F remembered that 'lots of soldiers died in the war and that is why we wear poppies to remember them'. Year 1 remembered lots of features of the church including the cross, stained glass windows and pews and Dixie got to try on the clothes worn by a Bishop. Tosia said she learned lots and that 'stained glass windows tell stories from

BRRRRR...

Winter definitely arrived this week and we have seen the mercury dip very low indeed. Please can you ensure that your child is suitably prepared for the cold weather, including a warm coat, hat, scarf and gloves. Sensible footwear, in line with the school's uniform policy (on our website), is a must!

Don't forget:

Parent Learning Reviews are coming up. Please make sure you have an appointment to meet your child's teacher.

Value of the week: being inclusive

This week we have focused on celebrating everyone's differences. Wouldn't life be very lonely if we were only friends with people who were identical to us in every way?

TALK HOMEWORK

Next week is Art Week. Do you have a favourite artist, or favourite style of art?

FOOTBALL FOCUS

On Wednesday the Y5/6 Boys' Footballers went to Southfields to take part in a 6-a-side tournament. We played 6 matches: we drew one, lost one and won four! Some of the games were really tough, but we worked really well together and did our absolute best. Sadly, we missed out on the quarter final by one point. *Theo.*

PSHE

On Tuesday 22nd January Year 6 went on a trip to Sullivan Primary School. We watched a production called 'Wasted' and it was about three friends and their experiences with drugs. After the production we discussed what drugs are and what they can do to your body. We also discussed the most common drugs in the UK. Year 6 really enjoyed the day and learned a lot. *Shai.*

D.I.S.C.O!

Our wonderful Friends of Queen's Manor have decided that in order to give everybody the opportunity to come to the school disco, it will now be held on Friday 8th February. We think this is a marvellous idea and will be a wonderful end to the week. If you are able to lend a hand at the disco please can you let Claire, Emily or any of the Fab Friends know—your support, as ever, is always appreciated.

AAA-CHOO!

You will see from this week's attendance figures that there are a lot of germs about. Lots of children are coughing and sneezing, which is an effective way to spread germs. As a result we have gone through thousands of tissues since returning in January. If you are able to donate a box of tissues to your child's class we would be very grateful indeed—this will go a long way towards keeping those pesky germs at bay!

Friends of Queen's Manor

This week we decided that during class assembly days we will hold a mini meeting with our class friends to tell them what we have been getting up to and give them the chance to feed back any ideas they have. We think this is a great way to achieve our goal this year of helping our class friends to have more of an active voice.
